[Buyers and Sellers Agreement form]

If you are looking to sell/buy a particular type of historic race car or one particular race car please send the following complete information and photographs (digital preferred) to

info@historicracecarforum.com:

Name _____ Phone #'s _____

Full-address _____ Email _____

Original owner(s) of car _____

Original driver(s) _____

Original builder(s) _____

Authentication:

- ◆ Original photographs, newspaper or magazine write ups, racing slips,
- ◆ Published materials/documentation in books
- ◆ **Original cars:** Any/all information you have access to that will verify the car as the **original race car**
- ◆ **Replicas:** Any/all information you have access to that will verify it is an **authentic replication** made by the original owner/builder/driver or if it was done by someone else provide details

Photos needed (digital preferred, 50-100 total):

- ◆ Direct in front (right, left, center)
- ◆ Direct in rear (right, left, center)
- ◆ Side view (both sides)
- ◆ Side view from $\frac{3}{4}$ angle (both sides)
- ◆ Engine view (several shots top & bottom)
- ◆ Interior view (dash, floor boards, front seat, rear area, headliner, trunk)
- ◆ The entire undercarriage (both sides front & rear, transmission & engine, header/muffler system, etc.)
- ◆ If your car is an unfinished car and currently apart please be sure to photograph *all* the parts.

Additional information needed: Any details about the car's history are VITAL if available? Such as,

- ◆ How many owners? Who was the original owner, etc.? (Names and dates if possible)
- ◆ Is it the original car or a replica? What proof do you currently have?
- ◆ If it is a replica, was it built by the original people or who?
- ◆ Is it a show car (when/where)? Is it a cackle car (when/where)?
- ◆ Was it ever raced (when/where, plus et's or top speed, etc.)?
- ◆ How often is it currently raced/driven?

- ◆ Where has it been stored and for how long?
- ◆ Is it the original chassis? Is it the original body? Is it the original engine?

When was the car painted? Date _____ By who? _____

When was the engine (if dates on transmission build are different, list separate) built?

1. Racing components in/on engine?
2. Induction system: 4 barrel or 2 barrel carburetor, injection or blower, etc.?
3. Exhaust/header system?
4. Transmission, drive line & rear end type?
5. Chrome or other extras?

What is the condition of the steel (or fiberglass) body? Please list any rust or damage and the location, bondo work, etc. Is it the original body, or what?

List any items that have been changed from the original car? This is important to know the accurate facts as buyers, collectors and museum owners will ask these types of questions.

Chassis builder and details regarding its construction?

Painter(s)? What signage was originally on the car? Has it been reproduced accurately?

Number of times it has been raced? _____ By who? _____

How long have you owned this dry lakes racer or quarter mile racer? Is it a quarter mile or a dry lakes car?

What type of ownership papers do you have? Does it have a bill of sale? Is it actually titled, what state? (Yes this is rare, but did you see the *Kugel* car at the Grand Nats...he drove it.)

Is it currently race certified? (Give verifying details regarding certification and recent racing history)

PRIMARY PLAN: 1ST STEP, YOU determine what your lowest price you want to sell for and then add 4% (our fee). We treat this figure as confidential information; it will not be disclosed to the potential buyer. 2ND STEP, we discuss and finally agree upon your INITIAL offering price, which of course will be higher. 3RD STEP, we then post your car on our website(s) at no charge for posting photos and write up.

When we get an offer we contact you to determine if you like it or not. We never make decisions for our clients—we consult! You simply give us 4% of whatever we settle on with the buyer.

Please call Don (619) 804-8033 or John (760) 402-0128, or write Dream Rod Locator at 9132 Iroquois Way, Weldon, CA 93283.
